

Report to Place Scrutiny Board

Meeting Date	Thursday 14 September 2023
Subject	Petition concerning play area at Bradford Road, Bailiff Bridge
Wards Affected	Hipperholme and Lightcliffe
Report of	Assistant Scrutiny Officer

Why is it coming here?

The attached petition concerning the play area at Bradford Road, Bailiff Bridge, has been received by the Council. The Council's petition scheme requires petitions attracting between 500 and 2000 signatures to be considered by the appropriate Scrutiny Board.

What are the key points?

Over the past few years there has been significant housing development in Bailiff Bridge. Residents believe that the equipment at the play area is not of sufficiently high quality, particularly considering the number of new families moving into the area.

Some residents will attend the meeting at the Town Hall, Halifax to present the petition.

Possible courses of action

The Board may choose to make recommendations to Cabinet or officers concerning the petition.
